

**Program Committee Annual Report  
2019-2020**

# Program Committee

## About Us

The SCATA Program Committee is responsible for selecting topics and securing speakers for the SCATA Annual Symposium. Additionally, the Program Committee hosts a pre-conference workshop along with a research and case studies poster session during the meeting. Members of this committee are certified athletic trainers who are educators and healthcare providers in a variety of venues.

# Committee Activities July 2019 - June 2020

## July 2019

- **Pre-Conference EBP Session on July 10th**
- **SCATA Annual Symposium on July 11th and 12th**  
*Keynote Address & 15 Professional Presentations*

## July 2019-March 2020

- Budget subcommittee developed & submitted budget
- Committee members selected topics for 2020 symposium and invited all speakers
- Poster session subcommittee released call for proposals

## May 2020-July 2020

- Committee members worked with SCATA Executive Committee to confirm speaker for virtual business meeting and pre-recorded educational offerings
- Members invited other confirmed speakers to present during 2021 symposium

## How All SCATA Members Can Support the Program Committee

1. Suggest topics and speakers for the annual symposium and the pre-conference EBP session
2. Submit a proposal for the poster session and encourage colleagues to submit one too
3. Complete and submit speaker and program evaluations

The Program Committee anticipates 2 vacancies beginning July 2020.
