Type: Assistant Athletic Trainer

Employer: York School District One, York Comprehensive High School

Location: York, SC

Preferred Education: Bachelor's degree in preferred area at minimum; preferred Masters with teacher certification

Salary: Athletic supplement to include extra days; 190-day contract per district pay scale if teacher certified in open instructional area or per instructional assistant pay if employed as a classroom instructional assistant

Job Description/Employer Information:

The assistant athletic trainer will practice said profession within the parameters of the South Carolina Athletic Trainers Act as laid out by the DHEC of South Carolina, and will follow both the Standards of Practice and Code of Ethics as set forth by the National Athletic Trainers Association. These duties are based on the needs of the school and its athletic programs. The athletic trainer's duties, enumerated in this document, should not be considered all inclusive. The Athletic Director and Head Athletic Trainer, as necessary, shall modify duties. The athletic trainer will be present at home athletic contests and football practices and all away football games. The athletic trainer shall also attend other post-season and home-hosted contests as directed by the Athletic Director and Head Athletic Trainer. Weekly hours will vary per week based on events.

- Carry out assigned tasks by the head athletic trainer.
- Assist in maintaining and updating an effective athletic training program for high school athletics.
- Provide first aid and injury assessment, treatment, rehabilitation, and reconditioning for student-athletes. The athletic trainer will also be responsible for making appropriate physician referrals.
- Provide coverage at home events and practices from the beginning of the fall sport season to the conclusion of the spring season.
- Assist head athletic trainer in coordinating the annual required athletic physicals and supervising the clearance of injured athletes prior to and during the sport seasons.

- Maintain a clear line of communication with the head athletic trainer, athletic director, team physician(s), and coaches regarding athletic health care and recommended treatment/rehabilitation for all athletic injuries.
- Maintain an effective and efficient athletic training room.
- Maintain communication with parents on the care & treatment of their student-athlete.
- File and maintain all necessary reports associated with athletic injuries and/or incidents.
- Maintain a daily treatment log.
- Equip each team with appropriate medical equipment.
- Assist in the selection and fitting of protective equipment, including special taping, pads or braces.
- Create a safe playing environment by monitoring and controlling environmental risks
- Share professional literature relative to athletic training with the school's coaching staff.

Requirements:

EXPERIENCE: At least one year Athletic Trainer experience at high school or collegiate level preferred though not required.

CERTIFICATE/LICENSE: Must be NATA BOC certified and possess or be in the process of acquiring certification from the state. Must be CPR/AED certified through AHA BLS (will certify upon hiring if holding an ARC certification).

TEACHING CERTIFICATE: Preferred to possess a SC Teaching Certificate or be in the process of acquiring certificate in district available teaching areas (see Careers at www.york.k12.sc.us for current teaching openings).

The athletic trainer will work in accordance with a weekly schedule to be determined by the Head Athletic Trainer and Athletic Director. Weekly schedules will vary according to the athletic season.
