

## Job Postings

**Type: Director of Sports Medicine**

**Employer:** Anderson University (SC)

**Location:** Anderson, SC

**Preferred Education:** Master's

**Salary: Competitive**

### **Job Description/Employer Information:**

Anderson University's Athletics Department invites applications for a full-time position as Director of Sports Medicine. Anderson University is an innovative, entrepreneurial, premier comprehensive, liberal arts university affiliated with the South Carolina Baptist Convention. The university seeks candidates with a strong Christian value system, lifestyle, and commitment to the integration of faith and learning.

### **Primary Purpose**

The Director of Sports Medicine is responsible for the administration of the sports medicine health care delivery system for all student-athletes in the intercollegiate sports programs at Anderson University.

### **Essential Functions**

- Provides athletic training services to specified sports and attend practices and competitions as needed. Ultimately responsible for the oversight and coordination of medical coverage for all team events.
- Acts as a liaison between athletes, coaches, health care personnel and administrators, and works directly with team physicians and other professionals regarding the physical injury and substance abuse treatment of athletes.
- Supervises, assists and evaluates other certified athletic trainers, as well as all work study students
- Develops and monitors the athletic training program budget
- Applies protective devices and equipment, as needed
- Organizes and facilitates annual pre-participation physicals
- Develops injury prevention programs and procedures and oversees the rehabilitation of injured athletes
- Makes referrals to appropriate medical personnel as needed
- Maintains treatment records, injury reports, and student-athlete insurance paperwork for assigned teams

- Selects, orders, and supervises the maintenance of athletic training equipment and inventory
- Administers the sports medicine policies and procedures
- Facilitates random drug and alcohol testing
- Enhances professional growth and development through participation in continuing education courses, professional organizations, seminars and workshops
- Participates in the selection of students for the athletic training program
- Coordinates the maintenance of all OSHA requirements for the Sports Medicine Department
- Develops and maintains good communication and working relationships with coaches, administrators, co-workers, student-athletes, parents, and contacts in the community
- Possesses a strong commitment to quality relationships, warmth, and excellence; Christ-like service is essential. Must have a mature and contagious Christian faith
- Displays commitment to the academic and Christ-focused mission of Anderson University
- Works with a diverse student population and demonstrates a commitment to the holistic growth and development of students

**Requirements:**

**Essential Knowledge and Skills**

- Must possess a Master's of Science Degree from a CAATE approved Athletic Training curriculum
- Must maintain current State and BOC requirements for licensure to practice
- Must maintain current Professional CPR standards

**Send cover letter, resume, and reference list to:**
