

## Job Postings

**Type: Assistant Professor-10-month position**

**Employer:** Charleston Southern University

**Location:** Charleston, SC

**Preferred Education:** Doctorate degree (PhD, EdD, DHSc or equivalent) in athletic training or related field

**Salary:** TBD

**Job Description/Employer Information:**

This is a full-time (10-month contract) faculty position within the College of Health Sciences at Charleston Southern University.

Teach 24 credit hours per academic year in the Athletic Training and Kinesiology degree programs which fall under the College of Health Sciences. Expectations will be to assist in the on-going assessment and improvement of the Professional Program (Master of Athletic Training) in Athletic Training. Additional responsibilities will include student advisement and recruitment, serving on university committees, and assisting the ATP Director and Clinical Education Coordinator in maintaining all CAATE standards.

**Requirements:**

Minimum:

- A Doctoral Degree (PhD, EdD, DHSc, or equivalent) in Athletic Training or in a related curriculum area.
- Current BOC certification in athletic training, current or eligible for South Carolina State (DHEC) certification in athletic training.
- At least one year of college teaching experience in a CAATE Professional Athletic Training Program.

Preferred:

- More than one year of experience teaching in a CAATE Professional Athletic Training Program.
- Familiarity with the new 2020 Standards for Accreditation of Professional Athletic Training Programs.
- Experience teaching CPR/AED for the Professional Rescuer and Health Care Provider.
